Eastern Lions Kart Club members were few but every one of them stood on the podium at the end of proceedings.

Nicholas Cardamone ran away to a good win in Midgets after very good heat races saw him finish never lower than 4th.

Shane Wharton overcame early frustrations with his leopard to post 2nd place in 125 restricted and followed that up in Clubman super heavy with another 2nd, closely followed by Robert Panzanio who posted a 5th in his Clubman Super Heavy event.

Paul Mills contested both Clubman Light and Senior National Pro. The final of Clubman Light saw him fight through the pack to gain third place with one lap to go but was let down with a mechanical problem on the very last lap that saw him roll to a stop. Must have been a pit crew error. Not to let that dampen his spirits Paul went out again within the hour in Senior National Pro. After posting a 1st and two 2^{nds} in the heats, Paul started the final in pole position. The start saw him lose the lead to John Schena and a battle began. Paul ultimately slipping past in lap 12 to take the win. Well done to Paul in his first ever "J" race.
